

Number Mats 4-9

The graphic organizer consists of several rectangular mats arranged in a grid-like pattern, each containing a specific number of black circles. The mats are arranged as follows:

- Top row: Three mats, each with 6 circles (2 columns by 3 rows).
- Second row: A 2x2 grid of mats. The top-left and top-right mats have 6 circles each. The bottom-left mat has 2 circles (1 column by 2 rows). The bottom-right position is empty.
- Third row: A 2x2 grid of mats. The top-left and top-right mats have 6 circles each. The bottom-left mat has 1 circle (1 column by 1 row). The bottom-right position is empty.
- Bottom row: Three mats, each with 4 circles (2 columns by 2 rows).
